MEETING AND EVENT ROOMS AT THE AMPERSAND HOTEL
COMBINE A SENSE OF OCCASION WITH STATE-OF-THE
ART FACILITIES AND AN INTUITIVE UNDERSTANDING
OF YOUR STYLE AND REQUIREMENTS

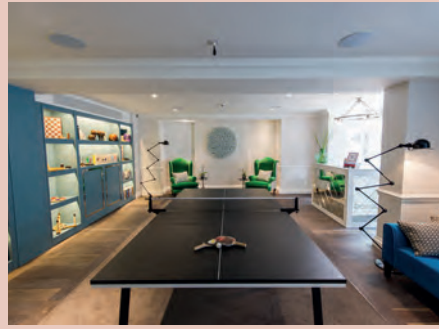

Whether you are planning a corporate event or looking for a private party venue, we have a choice of three spaces, available for hire separately or together, all of them decorated in eclectic Ampersand style and kitted out with the latest technology.

The capacities are both intimate and expandable while our dedicated events team will provide seamless support before and during your event.

THE LIBRARY

With a capacity for 14 seated and up to 35 standing, this intimate snug is perfect for a low-key conference, press day, private lunch or small cocktail reception. The Library is home to The Ampersand's specially-curated collection of books, providing a unique interior style and inspiration for conversation.

GAMES ROOM

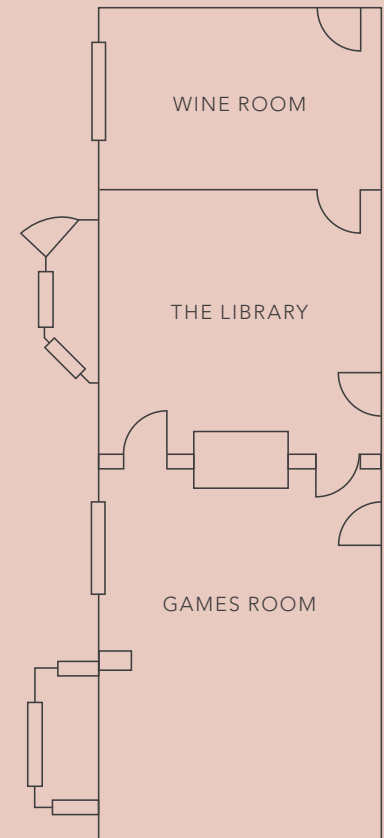

Accommodating up to 32 seated or 50 standing, the Games Room offers an irreverent backdrop for your corporate event or private celebration. Shelves in the Games Room are lined with books and curiosities while at the room's heart is a full-size table-tennis table.

WINE ROOM

Adjacent to our Apero restaurant, this is a decadent, elegant space for private dining for 10 people. Statement lighting, a polished basalt floor and an imposing oak banqueting table make this a sophisticated environment to sample The Ampersand's wine cellar.
