

MEETINGS & EVENTS

MEETING AND EVENT ROOMS
AT THE AMPERSAND HOTEL
COMBINE A SENSE OF OCCASION
WITH STATE-OF-THE ART FACILITIES
AND AN INTUITIVE UNDERSTANDING
OF YOUR STYLE AND REQUIREMENTS

Whether you are planning a meeting, creative training session, children's birthday party or private afternoon tea, we have a choice of three spaces available for hire separately or together.

Each is decorated in eclectic Ampersand style and complete with the latest technology. The capacities are both intimate and expandable, suitable for both corporate meetings and social activities, while our dedicated events team will provide seamless support before, during and after your event.

THE LIBRARY

With a capacity for up to 17 seated and up to 35 standing, this colourful room is perfect for a friendly business meeting, creative training session, or private setting for our award-winning Science Afternoon Tea. Comfortable armchairs and bespoke artwork are complemented by The Ampersand's specially-curated collection of books, inspiring conversation and creative thought. This light-filled space can be adjusted to your needs, whether a long central table for dinner, a U-shape set-up for meetings, or a clearer space for lively discussion.

GAMES ROOM

Accommodating up to 32 seated or 50 standing, the design of the spacious Games Room offers an inspirational backdrop for your creative meeting sessions, or a quirky setting for a children's birthday party. Kingfisher-blue shelves are lined with interesting books, games and whimsical curiosities, while a full-size ping pong table offers a fun-filled distraction (subject to attendee numbers). As with every Ampersand experience, the layout of the room can be personalised to suit your event.

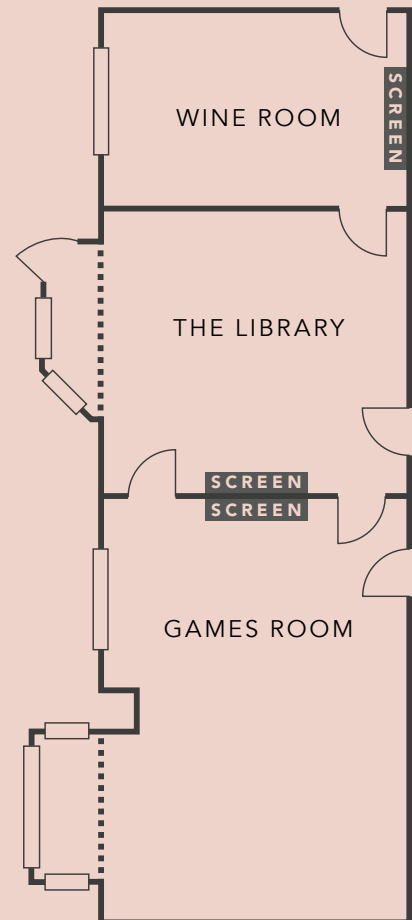

WINE ROOM

Adjacent to our Apero restaurant, this decadent, elegant space can seat up to 10 people. Whether you're hosting a private dinner, intimate meeting or varied wine tasting from our outstanding cellar, the statement lighting, a polished basalt floor and an imposing oak banqueting table make this a sophisticated environment to while away the evening.
